ACIT 4850 – Enterprise System Integration – Winter 2024

Lesson 11 – GitLab CI (Again)

For Lesson 11 we will be adding more functionality to our GitLab CI Python pipeline to make it more equivalent to our Jenkins pipelines. Please read the following on GitLab CI for the Lesson 11 class:

CI/CD Variables: https://docs.gitlab.com/ee/ci/variables/

Job Control: https://docs.gitlab.com/ee/ci/jobs/job_control.html

CI/CD Templates: https://docs.gitlab.com/ee/development/cicd/templates.html
